

Certificate of Completion

This is to certify that **Abdulla - Al Kafy** has satisfactorily completed the **2nd LIESMARS International Graduate Workshop on Geo-Informatics from 9-11 July 2018**, at State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing (Wuhan University), China on the research topic entitled *“Using Multi-Layer Perceptron (MLP) method to simulate Land Cover Changes and identify their Impacts on Land Surface Temperature”*.

On behalf of the Organizing Committee, we cordially thank him for taking part in the international workshop and share his experience with the researchers from all around the world.

A handwritten signature in black ink, appearing to read "Ruizhi Chen", is written over a red circular official seal.

Prof. Ruizhi CHEN

Director of LIESMARS, Wuhan University

State Key Laboratory of Information Engineering

in Surveying, Mapping and Remote Sensing (Wuhan University)
